### **INFORMATION CIRCULAR**

#### **AS AT AND DATED MAY 13, 2019**

This Information Circular accompanies the Notice of the 2019 Annual General & Special Meeting (the “**Meeting**”) of shareholders of Gray Rock Resources Ltd. (hereinafter called the “**Company**”) and is furnished in connection with a solicitation of proxies for use at that Meeting and at any adjournment thereof.

#### **APPOINTMENT OF PROXYHOLDERS AND COMPLETION AND REVOCATION OF PROXIES**

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the Shareholder in the proxy. The persons named in the enclosed proxy (the “**Management Designees**”) have been selected by the directors of the Company.

**A shareholder has the right to designate a person (who need not be a shareholder), other than the Management Designees to represent the shareholder at the Meeting. Such right may be exercised by inserting in the space provided for that purpose on the proxy the name of the person to be designated, and by deleting from the proxy the names of the Management Designees, or by completing another proper form of proxy and delivering the same to the transfer agent of the Company.** Such shareholder should notify the nominee of the appointment, obtain the nominee’s consent to act as proxyholder and attend the Meeting, and provide instructions on how the shareholder’s shares are to be voted. The nominee should bring personal identification with them to the Meeting.

To be valid, the proxy must be dated and executed by the shareholder or an attorney authorized in writing, with proof of such authorization attached (where an attorney executed the proxy). The proxy must then be delivered to the Company’s registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or at the head office of the Company at Suite 900 – 570 Granville Street, Vancouver, British Columbia, V6C 3P1, at least 48 hours, excluding Saturdays, Sundays and holidays, before the time of the Meeting or any adjournment thereof. Proxies received after that time may be accepted by the Chairman of the Meeting in the Chairman’s discretion, but the Chairman is under no obligation to accept late proxies.

Any registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. A proxy may be revoked by a registered shareholder personally attending at the Meeting and voting their shares. A shareholder may also revoke their proxy in respect of any matter upon which a vote has not already been cast by depositing an instrument in writing, including a proxy bearing a later date executed by the registered shareholder or by their authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized, either at the office of the Company’s registrar and transfer agent at the foregoing address or the head office of the Company at the foregoing address, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof at which the proxy is to be used, or by depositing the instrument in writing with the Chairman of such Meeting, or any adjournment thereof. **Only registered shareholders have the right to revoke a proxy. Non-registered Shareholders who**

wish to change their vote must, at least seven days before the Meeting, arrange for their respective nominees to revoke the proxy on their behalf.

#### PERSONS OR COMPANIES MAKING THE SOLICITATION

THE ENCLOSED PROXY IS BEING SOLICITED BY  
MANAGEMENT OF THE COMPANY

Although it is expected that the solicitation of proxies will be primarily by mail, proxies may also be solicited by electronic delivery where requested by the Shareholders, as well as personally or by telephone by directors, officers, employees or consultants of the Company. Arrangements will also be made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of common shares of the Company ("**Common shares**") pursuant to the requirements of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**National Instrument 54-101**").

The Canadian securities regulators have adopted new rules under National Instrument 54-101 which permit the use of notice-and-access for proxy solicitation, instead of the traditional physical delivery of material. This new process provides the option to post meeting related materials, including management information circulars, as well as annual financial statements, and related Management's Discussion and Analysis ("MD&A") on a website in addition to SEDAR. Under notice-and-access, such meeting related materials will be available for viewing for up to one (1) year from the date of posting, and a paper copy of the material can be requested at any time during this period. The Company is not relying on the notice-and-access provisions of National Instrument 54-101 to send proxy related materials to registered shareholders or beneficial owners of shares in connection with the Meeting.

The Company may reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the cost incurred in obtaining from their principals' authorization to execute forms of proxy. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company. Unless otherwise stated, the information contained in this Information Circular is given as at **May 13, 2019**.

#### VOTING OF PROXIES

Each shareholder may instruct their proxyholder how to vote their Common shares by completing the blanks on the proxy. All Common shares represented at the Meeting by properly executed proxies will be voted or withheld from voting when a poll is required or requested and, where a choice with respect to any matter to be acted upon has been specified in the form of proxy, the Common shares represented by the proxy will be voted in accordance with such specification. **In the absence of any such specification as to voting on the proxy, the Management Designees, if named as proxyholder, will vote in favour of the matters set out therein.**

**The enclosed proxy confers discretionary authority upon the Management Designees, or other person named as proxyholder, with respect to amendments to or variations of matters identified in the Notice of Meeting and any other matters which may properly come before the Meeting. As of the date hereof, the Company is not aware of any amendments to, variations of or other matters which may come before the Meeting. If other matters properly come before the Meeting, then the Management Designees intend to vote in a manner which in their judgment is in the best interests of the Company.**

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an "ordinary resolution"), unless the motion requires a "special resolution" in which case a majority of 66 2/3% of the votes cast will be required.

#### VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue unlimited Common shares without par value. There is one class of shares only. As at the date hereof there are **22,260,461** common shares issued and outstanding. At a General Meeting of the Company, on a show of hands, every shareholder present in person and entitled to

vote and every proxy holder duly appointed by a holder of a share who would have been entitled to vote shall have one vote and on a poll, every shareholder present in person or represented by proxy shall have one vote for each share of which such shareholder is the registered holder.

To the knowledge of the directors and senior officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, voting securities carrying more than 10% of the outstanding voting rights of the Company other than:

Name	Number of Voting Securities	Percentage
David Wolfen	9,553,553	42.9%

The Articles of the Company provide that a quorum for the transaction of business at the Meeting is two (2) shareholders, or one or more proxyholders representing two shareholders, or one shareholder and a proxyholder representing another shareholder.

The directors have determined that all shareholders of record as of the **13<sup>th</sup> day of May, 2019** will be entitled to receive notice of and to vote at the Meeting. Those shareholders so desiring may be represented by proxy at the Meeting.

### BENEFICIAL HOLDERS

Only registered shareholders or duly appointed proxy-holders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" or "beneficial" shareholders because the shares they own are not registered in their names, but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the "**Beneficial Holder**") but which are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Beneficial Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP's, RRIF's, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("**CDS**")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Company has distributed copies of the Notice of Meeting, this Information Circular and the Proxy (collectively, the "**Meeting Materials**") directly, and to the clearing agencies and Intermediaries for onward distribution to Beneficial Holders. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

Intermediaries are required to forward the Meeting Materials to Beneficial Holders unless a Beneficial Holder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Beneficial Holders. Generally, Beneficial Holders who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Beneficial Holder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Beneficial Holder when submitting the proxy. In this case, the Beneficial Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deposit it with the Company's transfer agent as provided above; or**
- (b) more typically, be given a voting instruction form **which is not signed by the Intermediary**, and which, when properly completed and signed by the Beneficial Holder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "proxy authorization form") which the Intermediary must follow. Typically, the proxy authorization form will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the proxy authorization form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label containing a bar-code and other information. In

order for the form of proxy to validly constitute a proxy authorization form, the Beneficial Holder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and return it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit Beneficial Holders to direct the voting of the shares which they beneficially own. Should a Beneficial Holder who receives one of the above forms wish to vote at the Meeting in person, the Beneficial Holder should strike out the names of the Management Proxy-holders named in the form and insert the Beneficial Holder's name in the blank space provided. **Beneficial Holders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

#### **PARTICULARS OF MATTERS TO BE ACTED UPON**

TO THE KNOWLEDGE OF THE COMPANY'S DIRECTORS, THE ONLY MATTERS TO BE PLACED BEFORE THE MEETING ARE THOSE REFERRED TO IN THE NOTICE OF MEETING ACCOMPANYING THIS INFORMATION CIRCULAR. HOWEVER, SHOULD ANY OTHER MATTERS PROPERLY COME BEFORE THE MEETING, THE SHARES REPRESENTED BY THE PROXY SOLICITED HEREBY WILL BE VOTED ON SUCH MATTERS IN ACCORDANCE WITH THE BEST JUDGMENT OF THE PERSONS VOTING THE SHARES REPRESENTED BY THE PROXY.

Additional detail regarding each of the matters to be acted upon at the Meeting is set forth below.

##### **I. Financial Statements**

The audited financial statements of the company for the year ended December 31, 2018, (the "**Financial Statements**"), together with the Auditors' Report thereon, will be presented to the shareholders at the Meeting. Shareholders should note that in accordance with the rules of National Instrument 51-102 "Continuous Disclosure Obligations", shareholders will no longer automatically receive copies of financial statements unless a card (*in the form enclosed herewith*) has been completed and returned as instructed. Copies of all previously issued annual and quarterly financial statements and related MD&A are available to the public on the SEDAR website under the Company's profile at [www.sedar.com](http://www.sedar.com) and on the Company's website at [www.grayrockresources.com](http://www.grayrockresources.com). Hard copies of the Audited Annual Financial statements and MD&A will be available to shareholders free of charge upon request.

##### **II. Election of Directors**

Each director of the Company is elected annually and holds office until the next Annual General Meeting of the shareholders unless that person ceases to be a director before then. It is proposed that the number of directors for the ensuing year be set at three (3), subject to such increases as may be permitted by the Articles of the Company. At the Meeting, the Shareholders will be asked to consider and, if thought fit, approve an ordinary resolution setting the number of directors to be elected at the Meeting at three (3).

It is proposed that the persons named below will be nominated at the Meeting. Each director elected will hold office until the next Annual General Meeting of the Company or until his successor is duly elected or appointed pursuant to the Articles of the Company unless his office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) or the Company's Articles.

**It is the intention of the Management designees, if named as proxy, to vote for the election of the said persons to the Board of Directors, unless the Shareholder has specified in its proxy that its Common Shares are to be withheld from voting on the election of directors.**

To the knowledge of the Company, no director or proposed director of the Company is, or within the ten years prior to the date of this Circular has been, a director or executive officer of any company, including the Company, that while that person was acting in that capacity.

- (a) was the subject of a cease trade order or similar order or an order that denied the company access to any exemption under securities legislation for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director ceased to be a director or executive officer of the company being the subject of a cease trade order or similar order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

### **Individual Bankruptcies**

To the knowledge of the Company, no director or proposed director of the Company has, within the ten years prior to the date of this Circular, become bankrupt or made a proposal under any legislation relating to bankruptcy or insolvency, or been subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

### **Penalties or Sanctions**

To the knowledge of the Company, no proposed director of the Company has been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority, or has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

### **III. Appointment of Auditors**

Management proposes the appointment of Manning Elliott LLP, Chartered Professional Accountants, as Auditors of the Company for the ensuing year and that the directors be authorized to fix their remuneration. Manning Elliott LLP, Chartered Professional Accountants, have been the Company's Auditors since February 7, 2013.

**In the absence of instructions to the contrary the shares represented by proxy will be voted in favour of a resolution to appoint Manning Elliot, LLP, as Auditors of the Company for the ensuing year, at a remuneration to be fixed by the Board of Directors, unless the Shareholder has specified in the Shareholder's proxy that the Shareholder's Common Shares are to be withheld from voting on the appointment of auditors.**

### **IV. Ratification of Incentive Stock Option Plan**

At last year's Annual General Meeting, the Shareholders re-approved the rolling stock option plan that had originally passed in 2009 (the "**Stock Option Plan**" or "**Plan**") authorizing the issuance of incentive stock options to directors, officers, employees and consultants to an aggregate of 10% of the issued shares from time to time. The TSX Venture Exchange policies ("**TSX-V**") require the approval of the Stock Option Plan by the Company's "disinterested shareholders" (as defined below) on an annual basis. There are currently **22,260,461** common shares issued and outstanding, therefore the current 10% threshold is **2,226,046** shares under the Stock Option Plan. The material terms of the Plan remain the same.

Incentive stock options under the Stock Option Plan may be granted by the Board of Directors to eligible persons, who are directors, officers or consultants of the Company or its subsidiaries (if any), or who are employees of a company providing management services to the Company, or who are eligible charitable organizations. Stock options may be granted under the Stock Option Plan with a maximum exercise period of up to ten (10) years, as determined by the Board of Directors of the Company.

The Stock Option Plan will limit the number of stock options which may be granted to any one individual to not more than 5% of the total issued shares of the Company in any 12-month period (unless otherwise approved by the disinterested shareholders of the Company), and not more than 10% of the total issued shares to all insiders at any time or granted over any 12-month period. The number of options granted to any one consultant or person employed to provide investor relations activities in any 12-month period must not exceed 2% of the total issued shares of the Company. Any stock options

granted under the Stock Option Plan will not be subject to any vesting schedule, unless otherwise determined by the Board of Directors or required by the policies of the TSX-V.

Options under the Plan must be granted at an exercise price which is at or above the current discounted market price (as defined under the policies of the Exchange) on the date of the grant. In the event of the death or permanent disability of an optionee, any option granted to such optionee will be exercisable upon the earlier of 365 days from the date of death or permanent disability, or the expiry date of the option. In the event of the resignation, or the termination or removal of an optionee without just cause, any option granted to such optionee will be exercisable for a period of 90 days thereafter. In the event of termination for cause, any option granted to such optionee will be cancelled as at the date of termination.

A copy of the plan will be made available at the Company's head office located at Suite 900 – 570 Granville Street, Vancouver, British Columbia V6C 3P1, until 4:00 p.m. Pacific Daylight Time on the business day immediately preceding the date of the Meeting.

The Stock Option Plan must be approved by a majority of the "disinterested shareholders" entitled to vote present in person or by proxy at the Meeting, and be accepted for filing by the TSX-V. "Disinterested shareholders" mean all Shareholders of the Company who are not directors, officers, promoters, or other insiders of the Company, or their associates or affiliates, as such terms are defined under the *Securities Act* (British Columbia).

To the knowledge of the Company, shareholders who are ineligible to vote on the approval of the Stock Option Plan and their respective shareholdings are as follows:

<b>Name of Insider, Associate or Affiliate</b>	<b>Number of Shares</b>
David Wolfen	9,553,553
Peter Schriber	400,000
Brian Johnston (held through Westrade Capital Corp.)	750,000
Nathan Harte	5,000
Dorothy Chin	Nil

Shareholders will be asked at the Meeting to approve with or without variation the following resolution:

“BE IT RESOLVED that the Company's Stock Option Plan be and is hereby approved.”

In the event that disinterested shareholder approval is not obtained at the Meeting, the Company will implement a fixed stock option plan for up to 10% of the Company's issued shares (which does not require shareholder approval), and any existing stock options granted under the Stock Option Plan as previously approved by the disinterested shareholders of the Company at the last Annual General Meeting will not be affected.

#### **EXECUTIVE COMPENSATION**

For purposes of this Statement of Executive Compensation, “named executive officer” of the Company means an individual who, at any time during the year, was:

- (a) the Company's chief executive officer (“**CEO**”);
- (b) the Company's chief financial officer (“**CFO**”);
- (c) each of the Company's three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers as at the end of the most recently completed financial year and whose total salary and bonus exceeded \$150,000; and
- (d) any additional individuals for whom disclosure would have been provided under (c) except that the individuals were not serving as an officer of the Company at the end of the most recently completed financial year;

each a “Named Executive Officer” (“NEO”).

Based on the foregoing definition, during the last completed fiscal year of the Company, there were three (2) NEOs, namely, its President and CEO, David Wolfin; its current CFO, Nathan Harte; and its former CFO, Malcolm Davidson.

## 1) COMPENSATION DISCUSSION AND ANALYSIS

The Company does not have a compensation program other than paying base salaries, incentive bonuses, and incentive stock options to the NEOs, based upon the recommendations of the Board of Directors. The Company and its Board recognize the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive’s level of responsibility. The objectives of base salary are to recognize market pay, and acknowledge the competencies and skills of individuals. The objectives of incentive bonuses in the form of cash payments are designed to add a variable component of compensation, based on corporate and individual performances for executive officers and employees. No incentive bonuses were paid to executive officers and employees during the most recently completed fiscal year. The objectives of the stock option are to reward achievement of long-term financial and operating performance and focus on key activities and achievements critical to the ongoing success of the Company. Implementation of a new incentive stock option plan and amendments to the existing stock option plan are the responsibility of the Company’s Board of Directors.

The Company has no other forms of compensation, although payments may be made from time to time to individuals or companies they control for the provision of consulting services. Such consulting services are paid for by the Company at competitive industry rates for work of a similar nature by reputable arm’s length services providers. The process for determining executive compensation relies solely on Board, without any formal objectives criteria and analysis. The Board does not have a pre-determined compensation plan. The Company does not engage in benchmarking practices and the process for determining executive compensation is at the discretion of the Board. The Board has not engaged the services of independent compensation consultants to assist it by making recommendations to the Board with respect to director and executive officer compensation.

Actual compensation will vary based on the executive’s experience in the mining industry and the performance of the executive relative to the achievement of goals and the price of the Company’s securities.

Compensation Element	Description	Compensation Objectives
Annual Base Salary	Salary is market-competitive, fixed level of compensation	Retain qualified leaders, motivate strong business performance
Incentive Bonuses	Discretionary cash Payment	Reward individual performance in achieving corporate goals
Incentive Stock Option	Equity grants are made in the form of stock options. The amount of grant will be dependent on individual and corporate performance	Reward long-term financial and operating performance and align interests of key employees with those of shareholders

In performing its duties, the Board has considered the implications of risks associated with the Company’s compensation policies and practices. At its early stage of development and considering its current compensation policies, the Company has no compensation policies or practices that would encourage an executive officer or other individual to take inappropriate or excessive risks. An NEO or director is permitted for his or her own benefit and at his or her own financial risk, to purchase financial

instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars or units or exchange funds, that are designed to hedge or offset a decrease in the market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

## 2) SUMMARY COMPENSATION TABLE

The following table sets forth particulars concerning the compensation paid or accrued for services rendered to the Company in all capacities during the last three most recently completed financial years ended December 31 of the Company to its NEOs:

Name and principal position	Year	Salary (\$)	Share-based awards (\$) <sup>(1)</sup>	Option-based awards (\$) <sup>(2)</sup>	Non-equity incentive plan compensation (\$) <sup>(3)</sup>	Pension value (\$) <sup>(3)</sup>	All other compensation (\$)	Total compensation (\$)
DAVID WOLFIN President, CEO and Director	2018	\$30,000	NIL	NIL	NIL	NIL	NIL	\$30,000

NATHAN HARTE CFO <sup>(4)</sup>	2018	\$1,248	NIL	NIL	NIL	NIL	NIL	\$1,248

<sup>(1)</sup> The Company does not currently have any share-based award plans.

<sup>(2)</sup> The methodology used to calculate the grant date fair value is the last closing price of the Company's Listed Shares before the date of the stock option grant less the exercise price, based on the Black-Scholes Option Pricing Model. The Company used the following assumptions in the model to determine the award recorded above: Dividend Yield – Nil; Expected Life – 5 Years; Volatility – 122.06%; Risk Free Interest Rate – 1.13%.

<sup>(3)</sup> The Company does not have any non-equity incentive plans or any pension plans.

<sup>(4)</sup> The employment relationship with Malcolm Davidson, former Chief Financial Officer ended on November 21, 2018 and Mr. Nathan Harte, was appointed Chief Financial Officer on the same date.

### Annual Base Salary

Base Salary for the NEOs are determined by the Board of Directors and its recommendations are reached primarily by comparison of the remuneration paid by other reporting issuers with the same size and industry and with publicly available information on remuneration that the Board feels is suitable.

The Annual Base Salary paid to the NEOs shall, for the purpose of establishing appropriate increases, be reviewed annually by the Board as part of the annual review of executive officers. The decision on whether to grant an increase to the executive's base salary and the amount of any such increase shall be in the sole discretion of the Board.

### Non-Equity Incentive Plan Compensation

One of the three components of the Company's compensation package is a discretionary annual cash bonus, paid to recognize individual performance in attaining corporate goals and objectives. The Company does not have a long-term incentive plan.

### Option Based Incentive Awards

An Option Based Award is in the form of the grant of an incentive stock option. The objective of the incentive stock option is to reward NEOs', employees' and directors' individual performance at the discretion of the Board of Directors. The plan currently used by the Company is its Stock Option Plan (the "Plan"), under which stock options have been granted and may be granted to purchase a number equal to 10% of the Company's issued capital from time to time. For details of the Plan please refer to "Particulars of Matters to be Act Upon" in the Information Circular.

The Plan is administered by the Board of Directors. The process the Company uses to grant option-based awards to NEOs is based upon the recommendations of the Board.

As of December 31, 2018, 1,985,000 stock options have been granted under the Plan. All previous grants of option-based awards are taken into account when considering new grants.

### 3) INCENTIVE PLAN AWARDS

#### Outstanding share-based awards and option-based awards

The following table sets forth the options granted to the NEOs to purchase or acquire securities of the Company outstanding at the end of the most recently completed financial year ended December 31, 2018:

Name	Option-based Awards				Share-based Awards

## CORPORATE GOVERNANCE

### General

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. In addition, management of the Company makes itself available for discussion with all Board members.

### Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an

interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of view and experience.

The Board does not have a Compensation Committee or a Nominating Committee, and these functions are currently performed by the Board as a whole.

#### **Compensation**

The Company currently pays no cash compensation to its directors and believes this is appropriate at the Company's current stage of development and levels of activity.
